Dear Daniel,

On behalf of everyone at Rotary Club of Avonhead, I would like to thank you for your very generous donation to use the small chiller trailer for this year's Golf Tournament in aid of the **St John and NZ Spinal Trust**.

The event was a huge success and raised funding for equipment needs for **St John Christchurch and NZ Spinal Trust**, as the demand for services continue to increase year on year.

We will be making payment to both charities prior to Christmas.

We trust that we can continue to count on your support for next year's event, which will be held on Sunday 6<sup>th</sup> November 2022 at McLean's Island Golf Course.

Thank you again for your generous donation.

With very best regards
